

Blank Theme and Xoops-Styles Module - Themes

NEWS_PDF_AUTHOR: kris_fr

NEWS_PDF_DATE: 2010/3/31 19:20:00

Two new design tools available to the community by XOOPS Design Team:

- Blank Theme, a theme is minimalist (but rich in features) with id and class different style sheets are not writed with the exception of the minimum for the structure.
- Xoops-Styles Module : from an original idea of Burning, this module based on the ["Ghost" Module](#) displays on the different page id and class used by Xoops. Convenient to forget nothing.
