

Desktop Chaos Theme by XDT - Themes

NEWS_PDF_AUTHOR: kris_fr

NEWS_PDF_DATE: 2010/4/3 8:40:00

Again based on [BlankTheme](#), very nicely done template ported to Xoops.
This theme may require customization "thin" blocks for a truly perfect display - already done for example in the blocks "Main Menu" and "User Menu".
The "source" files is in the "extras" theme folder.

Note: in order to meet the various licensing, please leave a link in the footer to the designer's original template

Desktop Chaos

Original design by [Evan Eckard Design](#)

Download

Desktop Chaos Theme is available [HERE](#).

Demo

In line with this [address](#) on more than 1 600 themes for Xoops.
