

Simple Theme by XDT - Themes

NEWS\_PDF\_AUTHOR: kris\_fr

NEWS\_PDF\_DATE: 2010/4/9 8:00:00

Powered by XOOPS Design Team, this theme, on an architecture "BlankTheme", is performed on an idea of the template "Tricolor" by Free CSS Templates. However, different images have been removed / replaced by the CSS 3.

It's a great theme for anyone who wants to become familiar with the design of Xoops. It's also used in the examples of documentation Xoops Design in progress.
