

WFSections (Catzwolf's) Update - Modules

NEWS_PDF_AUTHOR: Anonymous

NEWS_PDF_DATE: 2002/11/13 10:46:43

Ok I know that I am not the original author of this module, but to be honest I got so fed up waiting on an update, I did it myself. 🙄

There have been many new additions to this module, fixes and other subtle changes (LOL).

Just for now you can see a (user) working module at my site and I plan to release this in the next day or so (if the original author has no complaints about me doing this).

[Give it a test run here!](#)

Let me know what you think?
