We're proud of the [awards and recognition](#) that XOOPS has received over the years. So we thought that we'll create a page where we put them together, so you can use it for reference when you're trying to convince a potential client that XOOPS should be the CMS of choice for their Website. **Here are a few noteworthy items sorted by year from 2006 - 2010** ([Click here](#)). Hopefully, there will be more in the upcoming years 🏆 If we missed anything, please let us know so we can update it. Enjoy it! 😊
