WFSection v0.7 - Modules

NEWS_PDF_AUTHOR: Anonymous

NEWS_PDF_DATE: 2002/11/20 13:15:28

WFSection 0.7 has now been released to the public as a beta for testing.

Many new additions and changes have been made to this version. To many to add to this news, so I suggest that you download this and give it a try for yourself. 😉

Please comments etc on this module will only help take it further! 😃

Download it here

Sorry, but the filesize on this one has increased a bit!
