Site: RiderWiki.Com

RiderWiki is the new home of the Rider Excellence Program, and the REP Riders non-profit motorcycle safety organization. Motorcyclists are invited to register for free for full privileges on the site and membership in REP.

The site is very new and there is not much on it yet, but I'm adding things daily, and the invitations are going out to get interest built up. So if you are interested in Motorcycle Safety and Touring, stop by.

As always, comments are welcomed, and I'd love for some of the Xoops tweakers to take a look and see if I botched anything!
