

Contact 1.7 - move to blue - Modules

NEWS\_PDF\_AUTHOR: trabis

NEWS\_PDF\_DATE: 2010/8/11 11:40:00

We have updated contact 1.6 so it can work with php5.3 and Xoops 2.4:

Demo here:

<http://www.xuups.com/modules/contact/>

Download here:

[Xuups Google code](#)

If you are interested to work with us using our google code repository, please use our demo link!  
We are needing some testers and translators! Thanks :)
