

Whitlawburn Community Resource Centre, created with Xoops - YAXS

NEWS_PDF_AUTHOR: playsome

NEWS_PDF_DATE: 2010/8/23 17:00:00

The [Whitlawburn Community Resource Centre](http://www.whitlawburncrc.org.uk) website has been launched and is proud to be powered by the XOOPS CMS.

The purpose of the website is to keep the local community of Whitlawburn updated and informed about events and services held in the local Community Centre.

The website uses a customised theme based on the default xoops theme, the site also uses several modules including:

Article 2.00RC (some templates customisation by myself and code fixes by trabis to get it working alongside RM Common, thanks trabis)

xcGallery (with jquery lightbox added)

Smartpartner

Quickpages by bitc3ro

Mastop publsih

Mastop go2

extCal

WfChannel

and some static html modules using Xuups dummy module.

www.whitlawburncrc.org.uk

Thank you XOOPS and the XOOPS community.
