Swayamsat is an organization dedicated to the behavioral, emotional and mental growth for individuals, couples, children, teens, families and Corporates for the advancement of their personal growth through education, intervention and guidance.

[Its website](#) has been updated to xoops 2.4.5

Modules used:

1. Defacer 1
2. Simpliwiki 1.1
3. Publisher 1
4. xforms 1
5. tadgallery 1.3
6. piCal 0.93
7. User Profile 1.58
8. X-Aggregator 2.25
9. mytabs 2.2
10. Protector 3.4
11. Tellafriend 1.05
12. xoopscare 1.4
13. cbb 4.03

I will like to thank the entire xoops community for all the help I have received here. I had no idea about web design till a couple of years back but with all the help received here I have successfully built sites using xoops.

Special thanks to all the module developers and to ghia and mamba for putting in all the efforts....
