

New theme for frxoops - Themes

NEWS_PDF_AUTHOR: tatane

NEWS_PDF_DATE: 2010/9/4 17:30:11

The Team Frxoops is pleased to introduce its new theme. In addition to design, this theme will help you navigate more easily through the navigation bar consisting of each module and classes thereof. Featuring the css3 systems, it is usable on most browsers like Firefox, Opera, Safari, Internet Explorer, Chrome The new feature -The navigation bar: You can go directly to the module category that interests you. Example: You want to see all news on the topic themes? To do this place your cursor on the main news tab and then click on the submenu theme - Private messages: When you receive a private message, a very visual warning is
- The profile: To access your profile, simply right click on **My Account**, you will have direct access to it. Should you encounter problems or bugs, thank you for them back in the forum [report bug frxoops ONLY](#)
