

TV XooFoo : 4 months - 400 videos and a lot of features ... - XOOPS

NEWS\_PDF\_AUTHOR: kris\_fr

NEWS\_PDF\_DATE: 2010/9/6 17:50:52

Already four months that the website already documentary [TV.XooFoo](#) exists and 400 online video tutorials to easily learn the XOOPS and web development.

To mark this anniversary, we now have the site available in 20 languages: Arabic - Deutsch - Français - Español - French - Greek - Hebrew - Hindi - Croatian - Italian - Japanese - Korean - Norwegian - Polish - Portuguese - Russian - Thai - Vietnamese - Chinese Simplified - Chinese Traditional. The Multilanguage has been achieved through the Google Translate API and jQuery.

A [search module](#) was also implemented to facilitate this through the Google engine. Other new features will also be in the coming months ...

If you post videos, thank you communicate through the contact form so that we can add them in the database for the happiness of our large and active community.
