Hi All;

This TDMpicture 1.5 fixed hacamat and bandit-x.  
Thanks for help Bandit-x.

[Download Link HERE](#)

- 1- category deleted and not delete pictures tables--- fixed
- 2- some link errors --fixed

Module tested.

<http://www.xoops-tr.com>

good lock (I cant speak english sorry :))

you can edit TDMpicture/templates/blocks/tdmpicture\_minitable.html for Slideshow Width and height below codes.

```
$(document).ready(function(){
    $('#photos').galleryView({
        panel_width: 618,
        panel_height: 300,
        frame_width: 128,
        frame_height: 96
    });
});
```
