and it looks fantastic! 😊

Of course, we're not surprised, since he also designed the current XOOPS Website, after [winning a contest among XOOPS Designers](#).

Eduardo is not only a great theme designer, but also a fantastic developer, who received [two XOOPS Innovation Awards](#) for his work on [EXM](#), and [RMCommon framework](#).

To download his latest modules, you can visit [his Website](#)

Congratulations, Eduardo to your new Website!
