Croatian [Labourists](#) for web presentation use Xoops CMS.

Web site <http://www.laburisti.com/> was made with Xoops 2.4.4. (will upgrade soon, newest Xoops is still in testing), Mastop modules (Mastop Publish and Mastop GO2) and other (like Liase).

As our theme, we used [mh10\\_v2 theme](#)

We wish to thank XOOPS community, XOOPS is simply the best...
