WF-Section Website - Modules

NEWS_PDF_AUTHOR: Anonymous

NEWS_PDF_DATE: 2002/12/26 14:46:45

I have setup a website for WF-Sections, complete with a forum etc. During the next few weeks I will add docs and help files for those who may need help with this module.

Please feel free to post bug reports, update requests and anything else that may help the future development of WF-Sections.
