Hi, this is my little contribution in order to share or Bookmark your News in facebook.
1. You need the module news version 1.63
2. Add the 3 files below on the news module
/images/facebook.gif
/lenguage/english/main.php
/lenguage/spanish/main.php
/templates/news_article.html

3. Download the 3 files from my site here
Download from here

4. I tested the bookmark icon in Spanish and English, and it working ok

5. You can see the lither facebook icon in English
see facebook icon click here

6. You can see the lither facebook icon here in Spanish
See the facebook icon in Spanish here

Regards,
David Yanez 😃
