I am pleased to let you know that the **Ohio, Indiana, Northern Kentucky PHP Users Group** decided to use XOOPS for their new Website: <http://oink-pug.org/>

I'll be doing some tweaking over the next few weeks, so if you have any improvement suggestions, please let me know.

And at tonight's meeting I'll be presenting XOOPS to the group members.

Hopefully this will result in even more XOOPS-powered Websites in Ohio, Indiana, and Northern Kentucky.

Viva XOOPS! 🍷
