New Calendar module - Modules

NEWS_PDF_AUTHOR: kerkyra

NEWS_PDF_DATE: 2011/8/23 18:50:00

A simple calendar module for xoops.

It currently doesnt support recursive events.
It does however support importing from facebook.

Features:

 import from facebook
 Auto resizing of images
 Ajax calendar
 See who's attending (from fb)

You can see a demo at http://www.mykerkyra.gr

Download it from here
