We got you covered.

We can pre-install XooPS, that way you don't have to deal with the trouble.

Here is what you get:

www .yourname. com (Registration fee extra if needed)

100 MB's Storage // 10 GB's Transfer

On-line Control Panel

Unlimited Pop3 E-mail accounts

Unlimited MySQL Databases

SSH/Telnet Access

3 FTP Accounts

Monthly Fee \$15
