

Newsslider 1.2 Beta - Modules

NEWS_PDF_AUTHOR: Mamba

NEWS_PDF_DATE: 2012/2/6 22:20:00

Yerres from [XOOPS Germany](#) created a new module called "Newsslider", supporting the News module.

The Newsslider module provides five blocks that take headlines from the News module, and present them in a block with various visual effects, e.g. as Marquee, or it can add pictures to them, etc. See an example below:
