

Xoops Spanish Support with new House - Developer News

NEWS_PDF_AUTHOR: w4z004

NEWS_PDF_DATE: 2003/1/26 15:58:12

Later of wait to the xoops.org migrate, i have the other hybrid that we are testing (me site) migrated to x2 and in a new House.

the new address.

[\[size=x-large\]http://www.esxoops.com\[/size\]](http://www.esxoops.com)

welcome the spanish community!

this week begin to complete the parts that are incompletes.
and begin to create the spanish documentation!

to the Support sites, please upgrade the url of the xoops spanish support.
