

Group Manager 1.02 Beta released for testing - Modules

NEWS_PDF_AUTHOR: Mamba

NEWS_PDF_DATE: 2012/3/22 10:06:11

The **Group Manager** module has been updated to XOOPS 2.5.x Admin GUI.

This module allows you to easily add or remove users from groups.

It also allows you to set which group can change each others users, through XOOPS permissions.

You can download it [here](#)
