### [Zangstreet - Keeping you a breast in Europe!](#)

Very humorous and witty columns about life in Europe (especially Germany) from the perspective of an American. If you are german, have been to Germany, know someone there or from there or even know where Germany is, you've gotta read this.

There are also some [mostly funny political articles](#), most strongly anti-Bush, so if you don't like "Dubya", take a look at them.
