Theme Factory is my framework for creating themes for XOOPS, all my themes, paid or free, are based on this framework. Many changes were made to this version, please access:

Download: http://bit.ly/MTJcaa

Demo Online: http://bit.ly/MTJjT3

Screens:
http://bit.ly/MTJKNn
http://bit.ly/MTJMoe
http://bit.ly/MTJPk6
http://bit.ly/MTJPQW
http://bit.ly/MTJQEt

Note: The width of the theme is controlled in the file "tpl / centerZone.html"
Note²: There is documentation in Portuguese, if someone is interested in translating into English please send me, thanks.
Hope you enjoy ^^
