This Web Site used only some modules like :

- XNews
- MyTabs (Wonderful module, no limit)
- Xform

For the theme, i choosed a pretty website for XOOPS Theme : (<http://ixthemes.com>)  
and worked on this theme : [ixt00205 Rel.#3.0](#)

The shop is nice and the boss gives always good adverties to help you to choose some good wines for your lunch.
