Dr. Yolande Lucire - [lucire.com.au](http://lucire.com.au)

Moves from ASP to XOOPS - Work by [Chronolabs Co-op](#)

Quote:

We are medical doctors and medico legal professional. Here at Dr. Yolande Lucire and Associates we strive to provide the best in medical legal advice in both and for prosecuting a malpractice or neglect case to even providing doctors with best fit scenario's for the health professionals.

If you are looking for advice or help and would like to obtain assistance with a medical legal service that we offer, then please browse our contact us section so you can choose the best form for you to fill out from our selection of forms and data sets.

If you're a doctor seeking medical legal advice or more information on one of our documented studies, then please fill out the doctor inquiry form in the contact us section and pay your fees associated with it and one of our professional will be back to you within 48 hours.

This site was put together over a number of days between bleekk and wishcraft. We are still waiting on some content copy to be provided, but it also has a new DMS module which is reliant on FTP upload of documents, but will display in XOOPS, this is to replace the old static content on the site with a DMS and PDF Files in orderly folders and subfolders.

#### **Modules Used:**

- Profile 1.79
- Docs 1.01
- wflinks 1.06
- XCenter 2.16
- xNews 1.70
- XoopsPolls 1.32
- Tag 2.3

- XPayment 1.51
- IP Log 1.02
- Protector 2.51
- XOOPS 2.5.5

We are still waiting on the businessID SSL Certificate that has extra validation so they said it could be upto a week before I have it with the green box and everything secure. We got our SSL Certificates from <http://www.cheapssls.com> which is by far the cheapest around.
