We are happy to announce that thanks to Chaoos, we have now a local Support Site in the Slovak language:

http://xoops.chaoos.com/web/

For list of existing Support Sites, please visit our International Support page.

To create a local XOOS Support Site, see Support Site Guidelines.

If you would like to start and maintain a local XOOPS Support site, which is a lot of fun and is helping XOOPS by spreading our great CMS to your area and language, you can apply for official status, by using this form (login required).
