

Complexedusahel.org: a website powered by XOOPS - YAXS

NEWS\_PDF\_AUTHOR: ithri

NEWS\_PDF\_DATE: 2013/3/27 17:20:00

<http://www.complexedusahel.org> is a website for Algerian Hotel: Complexe du Sahel.

The website is based on xoops 2.4.3. French edition .

To showcase the hotel services I've used these modules:

- news 1.66
- Contact 1.6
- extgallery 1.07

The Website has been created in 2010, and the domain name has been changed recently into <http://www.complexedusahel.org>
