NEWS\_PDF\_DATE: 2003/2/13 2:04:10

Galeria is upgraded to version 1.2.6 which will now work in xoops version 2.

It is available for download [[HERE](#)]

**Please read readme.txt for details**

Also a number of developers are working on another gallery module called x2g, which has a very cool feature that allows users to have their own gallery created and even shared by others.

We will be offering support for these modules at <http://www.uskola.com> .

We are also looking for translators for these modules, and please contact me if anyone are willing to help.

Galeria 1.2.6 can be seen [[HERE](#)]

4mps Galeria which will be called Galeria2 when released can be seen [[HERE](#)]
