Hi, we have moved all modules from our test site to the main domain, Danordesign.com, both modules demos and downloads. Also more modules will be added soon. Note! The old modules have not been tested with the latest XOOPS version yet, but hopefully they'll work.

Following modules (plus some hacks not listed here) are up for grabs, feel free :)

- X-Whois
- Flip Text
- Excuse Generator
- Space Invaders
- World Map
- Millionaire Game
- Rubrik's Cube
- XOOPS Clock
- PacMan
- Online StopWatch
- Sudoku
- Norwegian TV Guide
- Swedish TV Guide
- Danish TV Guide
- PDF-Unformat tool
- Password Generator
- Image Resizer
- Guitar Tuner
- Pop-Up Generator
- Lorem Ipsum Generator
- Ipod Player
- Currency Converter
- Custom Module Comments
- Fake Magazine Covers
