Spotlight module for xoops 1.3.x - Modules

NEWS_PDF_AUTHOR: hannibal

NEWS_PDF_DATE: 2003/3/8 20:14:15

We have coded the spotlight module for xoops 1.3.x: it can focus one news showing it above all in a block on the main page.

Features:
- mysql-based
- contains news administration feature
- english language pack included

You can see it in action on
http://linux.kuht.it

You can download Spotlight fromhttp://www.kuht.it/xf/project/?spotlight

Bye
