

The New Website of a New Band: Tresend - YAXS

NEWS\_PDF\_AUTHOR: Tresend

NEWS\_PDF\_DATE: 2003/3/13 23:08:42

Hey check out another xoops site, the official website for Tresend, a new band with a unique style of alternative rock. They currently have a CD out, but there's no way to purchase it online just yet (ahem, one-item store module, ahem). Anyway, check out the band, check out the site, and say what you think. Its brand new, so there are almost no users yet.
