This is my first attempt at a theme for XOOPS. The theme is based on the Frontpage theme used at <http://www.ccansw.org.au> - I am the webmaster there and am currently preparing to move that site XOOPS as well.

But I need to give credit where its due - I borrowed from the "Newspaper" theme made by muyu (muyu@963.net) <http://www.1stphp.com> Good luck :) Pierre <http://www.finalfiler.com>
