

Spotlight 1.0.2 & updates - Modules

NEWS\_PDF\_AUTHOR: kain

NEWS\_PDF\_DATE: 2003/4/2 12:36:14

the spotlight module for xoops 1.3.9 is out, this release is mainly a bugfix one, now the wiki and html codes are displayed correctly in spotlight.

download [here](#)

thanks,  
kuht staff

ps. sorry for the delay for the release of the xoops 1.3.9 newsletter module (yes, the can-enable/disable-option-in-user-profile one, I'm pretty busy, count to packet it in a few days.
