

Matrix site runs on xoops - YAXS

NEWS\_PDF\_AUTHOR: sirco

NEWS\_PDF\_DATE: 2003/4/2 12:49:03

This site about a matrix in our live runs xoops...

If u like you can have a look at it. There are still some bits not done in the modules designs, but all in all the main design seems to be stable now...

<http://www.matrix-alive.de>

(ah yeah and its a german site at the moment...)
