Comics 1.0 - Modules

NEWS_PDF_AUTHOR: Jan304

NEWS_PDF_DATE: 2003/4/9 5:46:45

A new version of the comic module is just released.
What is:
Added:
- Link to archive,
- Admin can change language of 2 comics
Fixed:
- Works too now with globals off
- Some little things fixed

Download Link

Warning: Please put the module-wide cache for ONE day for this module, otherwise you will overload unnecessary the server of the comic providers. (System Admin - General Settings - Module-wide Cache)
