PHP Programming Contests

Over at PHP-Editors it's yor chance to win big on the latest PHP Programming Contests. This month in the beginners category a 'cool game' has to be programmed and, for the more experienced programmers, you have to solve a mixed-up Rubik's cube (he, he).

Prizes this time include Zend Studio, Zend T-Shirt, NuSphere PHPEd, 6 months Reseller Hosting from Milescape, PHP Cookbook from O'Reilly, PHP Magazine subscription, PHP|Architech subscription and a developers copy of Template Tamer.

Get your programming head on and goto www.php-editors.com

Best of luck !! 😃
