

MSN Messenger Module available - Modules

NEWS_PDF_AUTHOR: Sircuri

NEWS_PDF_DATE: 2002/1/25 12:28:44

I have modified an MSN Messenger module to work with Xoops. I don't know the original author so i can't give any credit to him/her for his/her perfect work. Anyway. it works now under Xoops and can be downloaded from here: [Xoops_Module.MSN.zip](#) or from the downloads section on this site. Have fun with it. ----- Dutch Xoops Support site at:
