

New Theme: BluePhlame - XOOPS

NEWS\_PDF\_AUTHOR: Gilian

NEWS\_PDF\_DATE: 2003/5/14 19:22:53

Hi everyone,

My third theme named BluePhlame is almost ready, you can preview it on my site: <http://xoops.websitetotaal.info/>. I'm looking for bugs now and for tips to make it better. So come and look on my site to preview it and let me know if you find some bugs or if you have some tips for me. It's available for download in a few days.

Greetings

Gilian
