

Montisarts Theme - Themes

NEWS\_PDF\_AUTHOR: Montisarts

NEWS\_PDF\_DATE: 2003/5/17 0:38:23

Hi all,

I've just finished my first theme ever for Xoops 2 and if you like it it's available for download. You can preview it at [wurn.nl](http://wurn.nl) and you can download it in the downloads section of [Montisarts](#). I've only just switched to Xoops 2 so there nothing much to see or read @ my site but the download works 🍷 .
