

First xooped Portuguese site - YAXS

NEWS_PDF_AUTHOR: wysiwyg

NEWS_PDF_DATE: 2002/1/28 1:53:45

Hi there 😊 I'm glad to announce that eternos.org, which was working under phpnuke since a year ago, is now running under xoops.

We're a portuguese "virtual community", sharing ideias in our site.

Anyone interested in a portuguese language file, can send me a mail. 📧
