osCommerce goes Xoops 2 - XOOPS

NEWS_PDF_AUTHOR: Anonymous

NEWS_PDF_DATE: 2003/7/5 18:25:53

Due to the big inquire the last days, we now release the first Betaversion 0.1 of the osCommerce Module for Xoops 2.

This Version is not for productiv Site`s just for further developing.

Installation is just easy as an normal Module using the Xoops Admin CP.

Knowing Bugs:

Bestsellerblock runs not proper
Search Block runs not proper
Tell a Friend Block runs not proper

Modul Tell a Friend runs not proper

**Supportsite`s**

German Support:
myXoopsForge

International Support in English:
 auf Sourceforge

Download Link: here

CVS Files: here

(will updated soon )

Greetz your myXoopsForge Team

P.S. Please use on the german myXoopsForge Site only the Project Forum and the Projecttracker, this as a hint for the german User.

P.P.S. Great thx to Michael Bäcker for his great starting on this module
