I always read posts about "How to make a theme". So i decided to create a little KickStart Guide. It is only the first draft so feel free to modify it! You can find it here:

<http://wiki.xoops.org/wakka.php?wakka=ThemeHowTo>

Please use the wiki! Before you post any question here at these forums you should have a look there! Also everybody who uses xoops is invited to contribute to the wiki!
